

## Halloween Costume Parade @ The Sylvan Trails School

Dear Parents,

It's that time of the year.....**October 31** is fast approaching and many children & their families across the world are getting ready to celebrate Halloween.

We would like to get our students acquainted with this festival celebrated abroad by organizing a **Halloween Costume Parade** for our kids on **Tuesday, October 31**. It will be an opportunity for them to dress up as their favourite super hero / TV movie star, animal, cartoon, fruit etc and role play or enact or impersonate and speak a few lines.

This will provide an opportunity to develop their speaking and presentation skills. Points will be awarded for creativity, imagination and ingenuity of the costume and the students performance in role play, so we encourage TSTS parents to prepare their kid accordingly.

P.S.: If you think your child may become too uncomfortable wearing their costume, please dress them up in the costume and send a change of clothes in the bag.
